INITIAL

_____ The Yacht Damage Waiver (\$30/day) protects Charterer and crew for loss or damages to the Yacht and its equipment less the specified insurance deductible (\$500).

----- OR-----

INITIAL

_____ The Yacht Damage Deposit is paid by Credit Card, and I understand that if there are no damages, payment will be credited to the same account after 15 days.

Yacht Deposit Amount: ()\$2,500.00 34-foot and under ()\$3,500.00 35-foot and over

Accept my authorization to charge the above account for the amount shown as a Yacht Damage Deposit. The Charterer must pay a Yacht Damage Deposit before departure as a deductible against loss or damage to the yacht, the dinghy and all equipment or other inventory. The deductible shall apply per occurrence of damage or loss. The Yacht Damage Deposit is not the maximum liability of the Charterer.

If the damage is less than the amount of the Yacht Damage Deposit, any remaining funds will be returned.

INITIAL

_____ The Yacht Damage Waiver or Yacht Damage Deposit still requires Charterer and crew to remain responsible for loss or damage from negligent or willful misuse of the Yacht as follows:

- Sailing outside the defined cruising area or sailing hours
- Groundings or towing assistance
- Operating the Yacht under the influence of alcohol or drugs
- Loss of dinghy or engine
- Failing to adhere to the Sailing Florida Charters briefing or onboard instructions

In the event of incident the Charterer must take all reasonable steps to minimize loss as follows:

- Take appropriate actions to secure the vessel of further damage
- Contact Sailing Florida Charter Base immediately
- Report to local authorities any damage or loss to people or property

The average towing bill is \$ 700, we recommend purchasing a BOATUS unlimited towing package for \$ 139.00. Call: 1 800.395.2628, coverage will be effective at midnight
